### ADOPTION CONTRACT

I/We, \_\_\_\_\_ (hereinafter called "Adopter"), do this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, enter into this Adoption Contract and acknowledge receipt from GOLDEN BEGINNINGS GOLDEN RETRIEVER RESCUE, INC. (hereinafter called "GBGRR") of the dog named and described as follows: **Name:** \_\_\_\_\_; **Sex** (*check box*): Male  Female   
**Age** (approx.): \_\_\_\_\_; **Microchip ID#:** \_\_\_\_\_; **GBGRR Tag #:** \_\_\_\_\_;  
**Color:** \_\_\_\_\_; and tender the following adoption fee: \$ 400 (*\$200 if dog is 8 years or older*).

### TERMS AND CONDITIONS

In addition, GBGRR and Adopter agree to the following terms and provisions:

1. Adopter understands that the adoption fee is only refundable if, within fourteen (14) days from the date of this Contract, Adopter personally returns the living dog to GBGRR and releases GBGRR of any and all liability.
2. Adopter agrees to take the dog to a licensed veterinarian within 14 days from the date hereof for a check-up.
3. It is agreed and understood by Adopter that, while GBGRR endeavors to provide an accurate history and assessment of a dog, GBGRR makes no representations or warranties regarding the dog's health breed, history, behavior, or temperament. It is further agreed and understood that environmental changes may effect and change the temperament of the dog and that GBGRR shall have no liability or responsibility of any nature regarding defects with the dog, or injuries or damage to any person or property which may be caused by the dog.
4. Adopter agrees to provide this dog with a safe home, proper care and attention, and humane treatment in accordance with all applicable current and future state, county, and local laws. Adopter further agrees that the dog will be a household pet residing primarily inside Adopter's home (not in a yard or pen) and that the dog will be kept indoors when the adoptive family is away from home. The dog will not to ride loose in the back of trucks, nor be chained or tied-out, or allowed to roam loose. The dog will not be used for breeding, fighting, or exclusively as a hunting or guard dog, nor will it be used in experiments or research of any kind.
5. Adopter understands that there are costs involved in maintaining a dog, and agrees to assume full responsibility for the food bills, health care and licensing of the dog.
6. Adopter agrees to take the dog to a licensed veterinarian at least once a year for an examination and routine vaccinations and tests, and to provide the dog with necessary veterinary care upon sickness, disease, and injury. Adopter agrees to provide - at a minimum - the following vaccinations and tests at the intervals required by law and/or advised by their veterinarian: physical examination; Rabies and Distemper/Parvo

vaccinations; fecal (internal parasite) test; and an annual heartworm test, followed by a regular course of heartworm preventative. Even though a dog may test negative for heartworms initially upon intake, there is no guarantee or warranty made that the dog has not already acquired a heartworm infestation immediately prior to intake. Despite GBGRR's efforts to supply an accurate test result, there remains a slight chance that a dog may have become infected immediately prior to intake. Due to the physiology of heartworm disease, the testing done may or may not be indicative of future heartworm status.

7. Adopter grants permission to GBGRR to obtain any and all medical records for this dog from Adopter's veterinarian at any time for any reason, and agrees to indemnify and hold GBGRR and any veterinarian harmless from any and all liability regarding the release of such medical records to GBGRR.
8. Adopter agrees that whenever the dog is allowed outdoors, the dog will wear a collar (with the GBGRR identification tag affixed to the collar). GBGRR has micro-chipped and registered the dog with the AVID PETtrac system and is listed as secondary contact on the chip registration information. It is mandatory that GBGRR remain the secondary contact. The GBGRR tag, as well as, the microchip are essential to your dog's safe return should it become lost or separated from you. If the dog becomes lost or separated from Adopter, Adopter shall notify GBGRR immediately. The AVID PETtrac registration system is available at all times at 1-800-336-2843 to assist in finding the dog.
9. Adopter consents to the examination of this dog by GBGRR at any time for any reason. Adopter consents and acknowledges that GBGRR has the right to reclaim the dog at any time for failure to comply with the terms of this contract or for any misrepresentations made by Adopter in the adoption application or in this contract. Adopter agrees to allow any GBGRR representative onto Adopter's property to reclaim dog if necessary. Adopter agrees to relinquish custody of the dog to GBGRR immediately upon request without legal writ or order until the situation warranting the reclamation is rectified. In the event the dog should be returned to or reclaimed by GBGRR, Adopter agrees to be financially responsible for any untreated medical issues or overdue vaccinations. If the dog proves to be heartworm positive, Adopter agrees to pay GBGRR for all costs associated with treating the dog for heartworms.
10. GBGRR has a lifetime commitment to the dog. Adopter agrees that if for any reason, he/she cannot keep and/or properly care for this dog; the dog must be returned to GBGRR. Adopter understands that no refund will be given after the initial fourteen (14) day period provided for in Paragraph 1 above. The dog shall not be given away, sold, or exchanged without prior written consent of GBGRR. Adopter understands that any friend or family member who wishes to take ownership of this dog will be required to apply to GBGRR for the right to adopt it. It is strictly forbidden for any GBGRR dog to be surrendered to a shelter, animal control facility or any rescue facility or organization other than GBGRR.
11. If for any reason this dog has not been spayed or neutered prior to the execution of this contract, Adopter agrees to have the appropriate sterilization procedure performed on or before \_\_\_\_\_ and to provide documentary proof of sterilization. Adopter acknowledges that until the dog has been sterilized, the adoption of the dog is not complete and that GBGRR has the right to reclaim the dog if the sterilization is not performed in a timely manner.
